SIR,

With reference to Government Order No. G. 15115-16/
P&S 6-20-44, dated 3-2-21, sanctioning the pay of the Estab-
lishment newly entertained till March 1921, I have the
honor to state that the men being learners require training
for a period of six months as already intimated. If their
pay is sanctioned till the end of June 1921, every opportu-
nity will have been given to them, and they will be eligi-
ble for being drafted on to the regular pay list.

I therefore solicit that their pay may be ordered to
be disbursed until the end of June 1921.

Superintendent G.P. to authorise the disbursement of their pay till the end of June 1921, it has been ordered in Govt letter of 18-4-21 (Sl 60 in this file) that the "newly substantiated establishment" should either be dropped to the regular pay list or sent away.

The Supdt has now enquired whether this direction applies also to the scholars substantiated under the G-6 of 4-12-20 ~~also~~

~~But~~ As matters stand however, the Comptroller will pass the pay for April to only the old estab^t & to the scholars recruited under the G-6 of 4-12-20.

The G-6 of 3-2-21 instructed the Comptroller to admit the pay of the rest of the staff till the end of March 1921 ~~which was not~~ amended when the G-6 of 10-2-21 issued & revised instructions were not sent to him to pass until further orders to ~~cancel~~ the pay of the ~~tempo~~ 100 men temporarily brought on the Regular Scale, as should have been done. 21 It is probable that a large number of men in classes (b), (c) and (d) may be absorbed in class (a) as vacancies occur in that class and the expenditure under this head may probably go down much further.

Dear Mr. Ramanathan,

RECEIVED

12 JUN. 1921

In reply to para 1 of your D.O. No: G.24135-7/P & S 6-2 dated 10th June 1921, regarding the Census Budget, I desire to say that the sum of Rs 37,000/- is for printing and Stationery charges and not exclusively for printing charges and that charges for type should be met out of the Press budget.

2. In regard to para 2 of your D.O. under reply, I think it undesirable to transfer the above provision to the Press Budget, as it is necessary for me to keep a watch over the expenditure under this head. This is now done by me - when passing the bills sent to me ~~periodically~~ ^{periodically} by the Superintendent of Government Printing, for sanction. Further it is only in this or a similar way that the total expenditure of the Census Department can be finally ascertained and recorded in the Administrative Report.

3. Should however Government be still of opinion that the transfer might be made, I would have no objection thereto provided the Superintendent of Government Printing keeps me informed once a month, of the expenditure incurred under this

Dear Sir,

With reference to your D.O. letter No. G. 24135/7/P.&S. 6-20 of this date, I have to state that the provision of Rs. 2,500/- is exclusively for printing charges.

With regard to the transfer of the provision to the Press Budget, I am not in favour of the proposal as centralisation is opposed to promptness of despatch in this case, as has been found by experience.

Yours sincerely,

The present position is as follows:—

^{piecework}
The establishment of the Govt Press cannot be immediately curtailed without serious breach of faith with the new men who came to the aid of Govt at a critical time. To pay all of them during 1921-22, about ^{Rs}85,000 will be required. But it is expected that some of the men will stay away of themselves & that the total cost next year will not be more than Rs 75,000. The provⁿ in the draft budget is however only Rs 50,000. The Finl Secy says he cannot agree to an addⁿ grant of Rs 25,000.

34). Though we have to find Rs 25,000 for the extra staff, it is also to be noted that with more men, more work can be turned out. Therefore ^{Govt} work which otherwise would have gone to private presses can be diverted to the Govt Press. In the draft Budget for 1921-22, there are

- (1) a provⁿ of Rs 37,000 on page 32 for Press Charges
- (2) " 2,500 on page 49 for Printing ^{under Censor}
- (3) " 2,500 on page 52

These three items can be transferred to the ^{& Stationery} Press Budgets with the direction that the Supdt G.O. & Stationery should

35) The Census Super ^{writes} ~~to be~~ to be

be arranged. As the sum of Rs 37,000 in
the Census Budget is both for Printing &
for Stationery, Rs 20,000 out of it may
be transferred to the Press Budget & Rs 17,000
to the Stationery Budget.

36) The other two items aggregating
Rs 5000/- may be transferred to the
Press Budget.

37) The Finl Secy may be requested
to communicate this to the Comptroller
with necessary further instructions &
the Comptroller as regards transfer of
funds.
